Product Description

The Husqvarna BT 90 Petro truss screed is engineered to handle floors, up to 20 meters wide, runways and bridges that need compaction, leveling and finishing. Easy to assemble by a single operator and adjust camber. Many configurations possible with accessories, such as winches and outriggers, to cover your day to day needs. THIS MODEL RUNS THE HONDA ENGINE.

Owners Manual

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box, used to make this video above, etc. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not delay on this once in a lifetime deal.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Extend the warranty to 3 or 5 years for a little more.

Condition of this machine: "A" Only 1 at this price!

Our demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory rep direct to the customer and have already been cleaned and packaged.
