Model Number: 312R

Arimitsu 312R, Pump 24MM Right Shaft 4GPM 1350RPM 1500PSI, OR 5GPM 1725RPM 1200PSI

Manufacturer: Arimitsu

The 3 Series floating pump models offer the performance and durability required in such applications as: Car Wash, Pressure Washer, Sewer Cleaning and Reverse Osmosis

FEATURES

- Triplex pumps provide smooth liquid flow
 - Liquid cooled, low drag seals provide long life, improved suction, higher efficiency and longer dry running without damage
 - Balanced flow crankcase design and precision machining ensure uniform lubrication and quiet operation
 - Manifold is designed and machined to guarantee superior fluid flow
 - Interchangeable valves for maintenance ease
 - Zero-clearance exclusionary seals protect crankcase
- #### QUALITY
- Stainless steel valves with polished valve seats and hardened seating surfaces for efficient operation
 - Precision ground ceramic plungers utilize a proprietary material blend for long life and increased thermal shock resistance
 - Forged brass manifolds offer strength and corrosion resistance
 - Proprietary, proven seal blend maximizes life and lengthens maintenance intervals
 - Oversized crankshaft bearings for long life and quiet operation
- #### MAINTENANCE
- No special tools required for repair or maintenance
 - Fluid end is easily serviced without entering crankcase
 - Easy access seal case and valve assemble
