# The Black Max Downdraft™ Dryer

## It's All About The Blade!

### The Swept Fan™

The Black Max Downdraft™ Dryer incorporates the revolutionary Swept Fan™ blade design that creates an astounding 9800 CFM at over 44 MPH while maximizing surface coverage and minimizing drying times. Additionally, noise levels are significantly reduced with this revolutionary blade efficiently drawing warmer, drier air from above and blowing it down and across the entire surface of the carpet. Designed for carpet cleaning

and restoration professionals, the Black Max Downdraft™ Dryer's versatile four-position design allows for the efficient drying of furniture, walls and ceilings as well as carpets. The rugged cast aluminum legs feature a built in cord wrap and carrying handles for added convenience and mobility. Backed by our 10-2-1 Warranty, the Black Max Downdraft™ Dryer is the most powerful, rugged and versatile tool your business will ever need!
