

220 Volt to 110 Volt 30 amp Safety Feature

Model : 785007207187

220 Volt to 110 Volt 30 amp Safety Feature

Manufacturer : Steambrite MFG

Converts standard electric dryer outlet or commercial coffee machine plug into: 2 separate circuits with built in 25 amp breakers and ground fault interruption.

Note: User assumes all responsibility on use. It is the users responsibility to check the inbound voltage, outbound voltage, and total amp draw to verify these are not going to be overloaded. The user agrees to test the amp draw of any appliance or machine that they plug into these converters to ensure they are not being overloaded. Meters are cheap and mistakes are expensive. You can purchase a meter at <http://www.steam-brite.com/store/voltage-meter-multitester-p-6259.html>

User agrees to hold Steam Brite, its employees, and agents harmless in the event of any use of said use of converter. The user agrees to not hold SteamBrite and all employee against any problems that arise out of the use of said converters. Remember, just because it plugs in does not mean it is OK to use!

Price : \$139.99
