Eagle Power: SK20 Anti-Foam Scrubber

Manufacturer : Eagle Power

The SK20 features a central weight system which keeps the weight of the machine constantly in the center of the machine. The SK20 "anti-foam" system prevents foam from reaching the vacuum motor. Couple these features with the flating brush system, and you have a machine which will increase productivity immediately. Tank capacity 13 gallons. 20" scrubbing width. Battery operated. Curved squeegee, spin-on/spin-off brush.
