One look at our new compact addition to the Galaxy series and you'll realize that it is possible to have your cake and eat it too! The Galaxy 5 was designed for remarkable heat and power all housed within an incredibly lightweight and portable package. The Galaxy 5 is an obvious choice for auto detailing and for those jobs where a small yet powerful unit makes more sense. It's light enough for anyone to handle and the fold-down handle makes it a snap to transport and store. We've also added an exclusive baffle system for exceptionally quiet operation. The new optional external heater can be removed in seconds if a repair is necessary, and the stainless steel heating element is guaranteed for life. The Galaxy 5 comes complete with a 15-foot hose assembly.
