Why use a standard wand when you can get a combination of powerful brush agitation and speed in a super lightweight attachment with wheels—all at a bargain price! So lightweight and maneuverable, the Powermate will triple your productivity. No more backaches and fatigue from slow, tedious cleaning with a wand. The Powermate attaches to any portable unit to remove deeply imbedded soil and grit at record speed! A high-speed cylindrical brush gets down to the base of the carpet fibers for more effective cleaning. Available with 1 $\frac{1}{4}$ " (1202AC) or 1 $\frac{1}{2}$ " (1204AC) diameter handle.
