Gum Zapper Wands

MINI GUM ZAPPER®;

The MINI GUM ZAPPER®; is our budget version of the GUM ZAPPER®;. It is a tool which belongs in the box of every carpet cleaner who, from time to time, may be presented with the task of removing incidental gum.

It has all the working, patented properties of the larger GUM ZAPPER®; at a fraction of the cost.

This tool is available with a battery operated drill.

The spring and brush action, along with our specially formulated citrus-based chemical, emulsifies gum in seconds and converts the gum into a liquid state that can be removed by blotting or power extraction.
