Model : MB07

HydroForce: Vapor Steam Cleaner

Manufacturer : HydroForce

SPECIFICATIONS: Dimensions: 13" x 13" x 10"; Pressure: 40 psi

Water Capacity: 3 quarts Weight filled: 32 lbs. Power: 12 amps

Heating time: 15 to 20 minutes Operating time: up to 2 hours

Temperature 240 to 260 degrees F Material: Stainless Steel

INCLUDED ACCESSORIES: large floor brush, medium round brush, medium triangle brush, 2 straight extensions, 1 curved extension, squeegee, 1 filler funnel, 1 medium brush, 1 brush attachment 3 holes, 1 brush attachment 1 hole, 10 nylon and 10 stainless detail brushes.

FEATURES/BENEFITS: A cleaning system for hard and soft surfaces, which heats water to 240 degrees F inside a stainless steel tank. It delivers the steam at 60 to 70 psi, working with an appropriate

chemical applied separately, and attacks the stain or soil build-up.

Great for cleaning showers, bathrooms after fire damage as well as general use.

1 Year Warranty from Hydro-Force

HYDRO-FORCE VAPOR CLEANING MACHIINE

HydroForce: Vapor Steam Cleaner

The HydroForce Vapor Cleaning Machine is the commercial steamer for chemical-free, mess-free cleaning. Use it in commercial kitchens, supermarkets, or anywhere your customer demands a chemical-free environment. With live steam, the HydroForce Vapor Cleaning machine cuts grease, mold, mildew, aged-on contaminants and a mountain of other substances. A heavy-duty stainless steel body will take serious punishment. Easy-to use attachments adapt to any job. Clean for up to two hours on one three-quart tank of water.
