Model : 410110

MasterBlend: Hydro-Well 100 Gallon Water Tank

Manufacturer : MasterBlend

The Water Well fresh water tank is very economical. Made of polyethylene that has the advantage of being heavy duty, durable, economical, and lightweight. Will not rust, dent, or corrode. Convenient 100 gallons of fresh water at your fingertips. Imagine how much time you will save &mdash; no looking for a water supply on the job and no worries about frozen water faucets or hoses in winter. Advanced design means benefits for The Water Well that are not found in other tanks:

- 100 Gallon Capacity
- Heavy-duty, rotationally molded polyethylene tank.
- Built-in chemical shelf holds up to 5 one-gallon containers securely.
- Molded baffles inside tank decrease water movement while van is in motion.
- Automatic water fill shut-off. Transparent tank allows monitoring of water level.
- Vented, large access ports located on both ends of tank for ease of maintenance and cleaning.
- Designed to be easily mounted anywhere in the van!
  
- Convenient, multiple access ports ensure easy filling and draining of tank, no matter where it is mounted.
- Easy to install. Comes with all mounting hardware and instructions.

Length: 61 inches, Width: 18 inches, Height: 36 inches
