Model : 182202

MasterBlend: Master Gel Citrus Spotter (Case of 12 Pint Bottles)

Manufacturer : MasterBlend

MasterGel Citrus Gel Spotter is a multi-purpose solvent for removing gum, tar, grease, ink, glue, oil, adhesives, and other solvent soluble spots. Formulated to combine the powerful action of citrus solvent with other powerful cleaning agents. MasterGel will not cause delamination of carpeting because its gelling ability keeps the product on the surface of the carpet.

Instructions: Apply MasterGel directly to spot and allow time to loosen soil. Remove soil with a spotting spatula. Rinse with water and blot. An alternative removal method is to clean spot using the hot water extraction method.

Price : \$109.14
