

MasterBlend: Master Rinse All Fiber Rinse (55 Gallon Barrel)

Model : 104109

MasterBlend: Master Rinse All Fiber Rinse (55 Gallon Barrel)

Manufacturer : MasterBlend

MasterRinse All Fiber Rinse is an effective, mild acid solution for use in a broad range of applications. Used as a rinse in truck mounts and portables, it removes previous accumulations of soaps and detergents. Used as a final rinse; colors will be stabilized by the low pH conditions left in the fibers. Imparts a very soft hand to all textiles. MasterRinse is used to prevent or correct browning in fibers. Also effective in dissolving urine residues prior to cleaning and deodorization. Urine, tannin, and alkaline stains respond well with pre-treatment applications.

Woolsafe Approved. Ready to use pH is 3.75

Instructions:

Carpet and Rugs: For truck mounts, mix 1 quart with 5 gallons of water. For portables, mix 2 ounces per gallon of water.

Upholstery: be sprayed on textile surface as the final step to prevent browning or to stabilize dyes.

Urine Deposits: Mix 6 ounces per gallon and saturate the contaminated area. After 10-15 minutes, clean area using hot water extraction equipment, then deodorize.

Price : \$528.09
