Details:

Take Vacuum Power To The Extreme.

Ever wish you had more power? Ever been on a job where you had to leave the carpet a little wetter than you wanted? Never again. Our new Air Hog vacuum booster gives your extractor that extra "oomph" needed on the job.

- The Air Hog features dual 5.7" diameter high performance two-stage vacuum motors.
- The two motors are plumbed in air parallel, and deliver 200 C.F.M. at 107" of water lift. (8" of mercury lift.)
- The Air Hog can be combined with the Mytee 1000DX, 1000DX-200, or M-16 models.
- When paired up with one of the Air Hog compatible units, the result is 4 high performance two-stage vacuums, delivering 200 C.F.M at a blistering 180" of water lift (12.5" of mercury lift.)
- Easy to hookup - just plug the vacuum inlets on the Air Hog into the hookups on the back of your Air Hog compatible extractor, and you're ready to go.
