Phoenix Thermastor 1200 Portable Desiccant Dehumidifier

Model : 4028000

Phoenix Thermastor 1200 Portable Desiccant Dehumidifier

Manufacturer : Therma-Stor

The 1200 Portable Desiccant Dehumidifier offers both a constant-run mode for maximum drying and a humidistat controlled mode for sensitive jobs. Using 230 volt power for dehumidification the 1200 leaves all the standard 120 volt outlets available for your Phoenix air movers. Its dual process outlets allow you to run dry air to the interior as

well as an attic or crawl space. The 900CFM process airflow (300CFM react airflow), and 25/40 amps make the energy efficient

1200 a perfect fit for the restoration industry. 230V, Single Phase. One 19ft. un-terminated cord included. 265 lbs.

Price : \$9,999.00
