

## Powr-Flite: Black Max Down Draft Air Mover - 3/4hp

Model : PD10K

Powr-Flite: Black Max Down Draft Air Mover - 3/4hp

Manufacturer : Powr-Flite

The Whole Room Dryers!

New Professional Downdraft®; Whole Room Dryer/Axial Fans

No more drying a room, one section at a time. One dryer will dry an entire room in as little as 15 minutes. Dryers or air movers are typically spaced around a room in various positions to take advantage of walls and other surfaces to dry carpets as quickly as possible. But, a typical dryer has limited surface coverage and does not take advantage of the warm air at the top of a room. The new Downdraft®; dryers by Powr-Flite changes drying as we know it. No more leaving damp carpets to dry after you leave a job! The fan blades are precision pitched to pull warmer, drier air down, through the dryer, blowing it across the entire room for fast complete drying with only 1 dryer for the "whole" room.

The commercial "Whole" room dryer!

Dry an average sized room in just minutes with NEW downdraft®; drying technology! The new professional Powr-Flite Downdraft®; fans are the most versatile air movers available with multiple positions for every drying need&hellip;including 360°; downdraft®; drying. Downdraft®; drying takes advantage of the warmer air circulating at the top of a room, pulling it down, through the Downdraft®; and blasting it out over every square inch of the room, drying the carpet fast.

Multiple position versatility, 2 speeds, precision pitch fans  
Black Max Down Draft Air Mover - 3/4hp

The Black Max Downdraft Dryer incorporates the revolutionary Swept Fan®; blade design that creates an astounding 9800 CFM at over 44 MPH that maximizes surface coverage and minimizes drying times. Noise levels are also significantly reduced with the new Swept Fan®; blade, which efficiently draws warmer, drier air from above and blows it down and across the entire surface of the carpet. Designed for carpet cleaning and restoration professionals, the Black Max Downdraft Dryer's unique four-position

## Powr-Flite: Black Max Down Draft Air Mover - 3/4hp

design allows for the efficient drying of furniture, walls and ceilings as well as carpets. A powerful 2-speed motor provides versatility in various drying applications, and the 4 heavy-duty locking casters ensure safe use on uneven surfaces. Storage and transportation are a breeze with the Black Max's stackable design, while the rugged cast aluminum legs feature a built in cord wrap and carrying handles for added convenience and mobility. Backed by our 10-2 Warranty, the Black Max Downdraft Dryer is the most powerful, rugged and versatile tool your business will ever need!

### EQUIPMENT WARRANTY INFORMATION

All Powr-Flite equipment has been carefully tested and inspected at the factory. It is guaranteed, subject to the terms stated in this warranty, to be free of defects in materials and workmanship. We will repair or replace any parts which, upon examination, prove to be defective in material and workmanship. For warranty claims, call our Customer Service Department.

NOTE: Electric cable switches, carbon brushes and couplings are excepted from these guarantees, but the purchaser is assured meticulous care has been exercised in the selection, assembling and testing of these parts before shipping. This warranty does not apply to damage caused by accident, misuse, negligence, abuse, fire or to any Powr-Flite product which has been repaired by other than an authorized Powr-Flite distributor or factory personnel. Warranty is void if products are used for any purpose other than that which was intended. Please read instruction manuals and maintenance instructions carefully.
