STAIN MAGIC

Description:

“Stain Magic” is a 2 part stain removal solution that will work magic for you on most stains caused by coffee, urine, tea and many other difficult to remove discoloration.

“Stain Magic” chemically alters the stain to simply make it disappear.

Usage:

1. Clean discolored area thoroughly to remove as much contamination as possible.
2. In a clear container, mix equal parts “Stain Magic” solution A with Solution B.
3. Apply mixture to stained area, evenly wetting the discolored fibers (a trigger sprayer works good for this application).
4. Dwell time. You may see the stain disappear immediately, or it may require up to 8 hours for the chemical reaction to reach completion.
5. Rinse spot with hot water extraction.

Tips and Cautions

Always blot dry fibers to be treated before application of “Stain Magic”.

Always mix fresh solution and use within five minutes.

Covering treated fibers with clear plastic will improve performance.

Always dispose of unused solution.

Never place mixed solution in closed container or pressure will build up and cause container to burst.

Avoid storing product in direct sunlight to prolong shelf life.

Always test inconspicuous area for color fastness before using.

Note: This product can cause discoloration of natural fibers if allowed to dwell for extended periods of time.
