Broadstroke Titanium Wand

Our 13.5 inch titanium wand could be the best investment you ever make!

Features:

The wider stroke will shorten job time and ease the strain and pain. At 70% of the weight, this lighter wand will make each job even easier! This 6-jet wonder is a must for every busy cleaner. The titanium wand features an insulated grip handle on the s-bend wand configuration. It's easier to handle and control for smooth even strokes. Prochem's vacuum manifold ensures even suction across the wider path for thorough cleaning throughout.
