Rectangular Duct Brushes for Turbobrite Duct Tool

Model : Rectangular

Rectangular Duct Brushes for Turbobrite Duct Tool

Manufacturer : Steambrite MFG

These Rectangular brushes are used to clean the main delivery and return ducts in a home. Attach these brushes to our fiberglass pusher rods and you are able to reach into just about any rectangular duct system.

The two larger size brushes work best with a metal shield which serves to act as a vacuum concentrating lip around the perimeter of the brush helping it to catch the debris it scrubs off the duct inner walls.

Price : \$150.00
