Manufacturer : Shazaam

Dynamic Duo - Half Gallon Set

Use Dynamic Duo only as a last resort when regular cleaning cannot remove your organic based stains on synthetic fibers. (Do not use on cotton, silk, wool, rayon, jute) Clean carpet using your preferred method of cleaning. Rinse and extract using shop vac or extractor machine with water, then blot or tamp dry with unprinted paper towel or terry cloth towel by placing on top of stain while applying pressure for a few seconds to remove any remaining water.

Mix equal portions of Dynamic Duo red label and blue label (wear gloves and safety glasses!! Wild Stuff!!). Apply small amount to stained portion only. Use light agitation with bone scrapper or stainless steel spoon. Wait 15 minutes and rinse. If stain remains, re-rinse, re-plot, re-apply and allow to dry on carpet for 6 hours. In extreme cases, cover with plastic for 24 hours. When possible, It is always best to rinse all spotting agents from carpet when stain removal is successful.

**DISPOSE OF UNUSED MIXED DYNAMIC DUO!! PRODUCT WILL EXPLODE CONTAINER!!**

Always pretest a small area before using in a noticeable area. Always inform customer of the risk using strong oxidizers before performing work.

**CAUTION:** Product is harmful if swallowed. Contact physician immediately. For skin or eye contact flush with water for 15 minutes (do not use soap), then call a doctor without delay. Use in well ventilated areas. Do not mix with other products.

**STORAGE:** Keep sealed when not in use to prevent contamination.

**Price : \$27.00**
