### Patented filter removal technology

- Top mounted filter allows quick and easy removal from the filter box - without coming into contact with dirt. No need to open the tank.
- For wet and dry vacuuming without additional filter replacement.

### Hose storage on the device head

- The suction hose can be stored in a space-saving manner by hanging it on the device head.
- Intuitive securing mechanisms for left- and right-handed users.

### Practical cable and accessory storage

- Space-saving, secure and on-board accessories storage.
- The power cable can be safely stored using the integrated cable hooks.
