Compact device design

- Convenient storage of the spiral hose and trigger gun under the removable water tank.
- Easy to transport, with space-saving storage.

Integrated lithium-ion battery

- Mobile cleaning independent of a power source.
- Long battery runtime, meaning it can be used several times before it must be recharged. The LED warns you when the battery is low.

Efficient, but gentle low pressure

- Low pressure offers the advantage that cleaning is both efficient and extremely gentle at the same time.
- The standard nozzle with flat spray enables visible cleaning performance. The cone-spray nozzle is ideal for more sensitive cleaning of dog paws.
