

a new spin on cleaning.

## Taskforce 8

### Compact and Versatile Wet-Dry Vacuum

## Designed to work in any environment **Tools to fit your needs**

Tornado's Taskforce® 8 Wet/Dry Vacuum is one of the toughest, most versatile, and cost-effective tank vacuum on the market. With a stainless steel body and eight gallon capacity, this vacuum offers a 4 Peak horse power motor, generates 120 CFM and 106" of waterlift.

The Taskforce® 8 effectively handles general dry debris pick up in commercial environments, as well as liquids such as water, scrubbing solutions, and stripping solutions. These vacuums are perfect not only for general maintenance and cleaning, but also to manage soil and moisture in high-traffic areas, or can be paired with floor machines and other mopping and scrubbing operations as well.

The Taskforce 8 comes complete with an attachment and accessory set, including hose, wand, carpet tool, squeegee tool, crevice tool, and dusting tool. The swivel hose connector allows 360-degree hose rotation, letting you move the vacuum without fear of disconnects. The tools and accessories can be used for a variety of applications and debris types.

## Power and Durability

You can count on Tornado's wet-dry vacuums to get the job done, whether being used for construction site clean-up, around the shop, or for emergency wet pickup around busy entryways. Tornado has been proudly producing world-class vacuums since 1927, and as always, our wet-dry vacuums stand for quality and superior durability.

# Taskforce 8. Compact and versatile wet-dry vacuum.

1. Carrying Handle
2. Large Main Power Switch
3. 360° Hose Connection
4. Drain Plug

6. Transport Wheels

## Key Features

- Convenient front drain plug allowing quick and easy evacuation of recovered liquids.
- Powerful, two-stage 4 peak horse power motor.
- Two-stage dust filtration process, helping to improve indoor air quality.
- Compact size for cleaning in small areas and perfect for quick-cleanup situations.
- Built in transportation wheels and ball bearing casters for easy maneuverability.
- Ships complete with all the tools required to tackle any job right out of the box.
- 360 degree hose rotation that allows operators to move the Taskforce 8 without fear of disconnecting the hose.
- The foam cover filter can be easily removed and washed for re-use.
- A sound insulated vacuum head helps reduce the operating noise level of the unit.

PRODUCT SPECIFICATIONS	
Model:	Taskforce 8
Part Number:	94208
MACHINE DIMENSIONS	
Dimensions (L x W x H)	18.5 in x 15.2 in x 24.8 in
Weight	32.4 lbs
Tank Size	8 gal
DESIGN CHARACTERISTICS	
Cord Length	30 ft.
Tank Construction	Stainless Steel
Hose Length	10 ft.
CFM	125
Water Lift	106 in
Vacuum Motor	4 peak horse power
REPLACEMENT ITEMS	
Filter	38504
Floor Nozzle	38516
Crevice Tool	38517
Utility Tool	38518
Round Dust Brush	38519
Foam Filter Sleeve	38520
Extension Wand	38521
Hose	38522
