

KÄRCHER

FLEXIBLE, FAST, FLOOR CLEANER

Small and mighty, the BR 30/1 C Bp cordless floor scrubber packs a punch. [karcher.com](https://www.karcher.com)

PROFESSIONAL | BR 30/1 COMPACT FLOOR SCRUBBER

Compact cordless scrubber takes on the tough spots, leaving surfaces clean and dry.

The BR 30/1 battery powered scrubber is perfect for maintaining hard floors in smaller, congested areas. Its microfiber technology ensures effective cleaning of both smooth and textured surfaces, making it ideal for high traffic areas like hospitality, education, break rooms, food service, and restrooms. The BR 30/1 offers the ultimate in mobility, allowing you to quickly and quietly clean your floors without having to worry about people being in the way. Plus, its quick drying action leaves your floors clean, dry, and ready for use at a moment's notice.

1 Excellent cleaning results

- Up to 20% cleaner than mopping.
- Integrated pre-sweep function collects coarse dirt and hair in one pass, improving the overall cleaning result.

2 Quick drying times

- 60% quicker dry times versus traditional mopping.
- Reduces slip and fall hazards for safety.

3 High level of hygiene

- Using fresh solution improves hygiene.
- Lowers risk of spreading virus and bacteria.

4 Storage Position with parking rests

- Proper Storage Position to protect microfiber rollers.
- Helps improve dry time of microfiber rollers.
