## I7 LM & 20 LM

### Cylindrical Brush Agitation Machine

**Optimum Versatility & Maximum Efficiency** - Perfect for Prespray Agitation Low Moisture Encapsulation Cleaning, Absorbent Compound Cleaning and Hard Surface Cleaning.

The new completely re-designed Brush Pro 17 LM & 20 LM by Hydroforce has expanded on its capabilities and its ease of use for technicians. It has also been re-engineered to stand up to the most demanding applications with the most advanced generation of high precision gears for smoother running and reduced maintenance.

#### New Features & Benefits:

- New Design
- Improved Balance & Stability in Operation
- Reduced Wear & Tear
- Splash-water proof (certified class IP 54)
- High precision gears for smoother running and reduced maintenance
- New Applications for Hard Floor & Tile Grout Cleaning
- Brush Colors Following the International Color Codes
- Improved easy to use Trolley
- More Durable and Easier to Service
- Electronic Starter

#### Cylindrical Brush Agitation vs. Other Agitation Machines

Cylindrical brush agitation follows the direction of the individual carpet fibers, which is vertical. Soil needs to be transported from the bottom to the top of the pile, which is vertical.

Pile lifting also is a vertical process. Cylindrical brushes are better on uneven floors or grouts (where pads cannot reach...) and do not leave behind typical cloudy carpet patterns after the cleaning.

#### Brush Pro 17 LM & 20 LM Specifications

technical data	PRO 17 LM	PRO 20 LM
weight	46.9 lbs.	51.3 lbs.
height w / without handle	46.1" / 9.1"	46.1" / 9.1"
width	11.2"	11.2"
length	16"	20"
motor	600W	700W
brush rotation	483 rpm	395 rpm
sound level at 0.5 m	57.8 dB	57.8 dB
coverage carpet/hard floor	2,500 / 3,000*	3,500 / 3,500*
cord length	32.81'	32.81'

\*Sq.Ft. based on encapsulation cleaning

**BrushPro 17LM - # MH53**

**BrushPro 20LM - # MH54**

#### CARPET

- encapsulation cleaning
- pile lifting
- dry soil removal
- compound dry cleaning

#### HARD SURFACE

- floor washing
- scrubbing / drying
- tile & grout cleaning

#### SPECIAL FEATURES

- compact design
- stainless steel body
- low noise level
