

Vacuum Cleaners

The Next Level Canister Vacuum

The Advance VP600™ is an efficient, cost-effective, environmentally friendly canister vacuum that will increase your cleaning productivity in a variety of applications, including hotels, restaurants, offices and institutions.

Benefits of VP600 Canister Vacuum Cleaners

The VP600 takes canister vacuum design to the next level, with maneuverable caster wheels to eliminate drag and effortlessly follow you wherever you clean. Innovative features including an easily accessible step-on power button, modular design and full line of accessories make this an exceptional choice for your cleaning application.

- Provide superior air quality with the three stage H13 HEPA exhaust filter
- Optimize power consumption and performance with dual speed function and Power Boost
- Clean during the day with our best-in-class sound quality
- Increase worker safety with our ergonomic design, including a telescoping wand that allows you to pick up accessory heads without having to bend over
- Eliminate vacuum down time thanks to the modular design and easily replaceable parts
