Upright Vacuums

Exceptional uprights for commercial-grade cleaning

Every homeowner in the world wishes they had a Clarke® CarpetMaster® Upright Vacuum for their everyday cleaning challenges.

Lightweight. Rugged. Affordable.

Built contractor tough, these lightweight, single-motor vacuums clean fast, efficiently and comfortably, with exceptional dirt pickup and right-to-the-edge cleaning. High-efficiency H.E.P.A. filters protect indoor air quality. And a full complement of onboard tools simplifies detailing work.

- · Lightweight, ergonomic design maximizes comfort
- High efficiency, three-stage H.E.P.A. filtration system captures 99.7% of particles for superior air quality
- Accessories tuck conveniently behind vacuum wand, allowing easy access
- Innovative cord restraint protects against cord damage
- · Quick-change filter swaps out in seconds
- · Brush removes quickly without tools
- Seal of Approval from the Carpet and Rug Institute
