

Canister Vacuums

The Truly Outstanding Affordable Vacuum Cleaner. The Clarke Saltix 10 is a basic, well-built, thoroughly reliable machine that can be counted on to do the job day in day out. Providing a valuable carpet care solution with a lightweight, sustainable design, the Saltix 10 is ideal for cleaning education facilities, offices, healthcare facilities, retail outlets and similar light to medium duty applications.

Benefits of Saltix 10 Canister Vacuums As with all Clarke machines, the design is outstanding, with careful attention given to ergonomics and environmental friendliness, providing easy maneuverability and quiet operation. The Saltix 10 also offers reduced power consumption via an efficient 900 W fan unit yet still delivering superior cleaning performance. As part of Clarke’s continuous work to support environmental protection, the Saltix 10 vacuum cleaner uses completely recyclable components.

Easy to use and durable in design, the Saltix 10 offers:

Best in class filling capacity, which means less time spent changing dust bags

Weights just 11.5 pounds making it easy to move from place to place

Low sound pressure level of just 50 dB A makes this vacuum suitable for daytime cleaning

Secure accessory and power cord storage and rear mounted wand and floor tool storage
