

YOUR ALL-ACCESS PASS TO CLEAN

Tackle vacuuming and polishing your floors with the Axxess dual-motor vacuum.

Your all-access pass to clean.

The Access dual-motor upright vacuum has the power for any cleaning job while being lighter and more compact than any other commercial vacuum. When the job requires all of the cleaning power with less of the weight and size, look no further than the Access dual-motor upright vacuum. It provides the agility you need and the power you want in the lightest two-motor commercial upright available. Equipped with a HEPA quality, three-step filtration system that results in 99.9% effectiveness to 0.3 microns, making it the perfect choice in dust sensitive areas. The optional performance kit provides a polishing head to quickly bring back the shine to VCT, stone and terrazzo floors.

1 Carpet Vacuuming

- Deep cleaning dual-motor vacuuming power
- S-Class 3-step Filtration System with HEPA filtration for improved indoor air quality
- Lightweight and easy to maneuver in tight spaces
- The vacuum body separates from the cleaning head and is a lightweight, portable canister vacuum

2 Hard Floor Maintenance and Vacuuming

- Maintains shine on VCT, terrazzo and natural stone floors
- Small size and unique flexible head design makes cleaning and polishing in small, congested areas simple
- HEPA filtration for improved indoor air quality
- Light weight, compact design allows anyone to transport and use
- Cleans, vacuums and shines hard floor to eliminate the inconvenience of daytime mopping
