WARRANTY INFO

5 year tank, 1 year motor and parts warranty excludes shipping and labor cost.

One 25 ft 12-3 power cord operates two vacuum motors

and one 25 ft 14-3 power cord operates the remaining third vacuum. Each cord needs to operate on separate circuit breakers.

Remove the yellow bag when using for wet pick up.
Install the yellow bag for dry pick up.

Both the cotton polyester secondary filter and 3rd stage Hepa filter are washable!

Steamrite Wet/Dry vacuums have the capacity and power for large water recovery jobs or dry debris pick-up in the shop or on the job site. They are perfect for hard floor maintenance jobs, recovering floor strippers and hard floor cleaners easily. The swivel hose connector allows 360 hose rotation, letting you move the vacuum without fear of disconnecting.
