# Disinfectant Spray Plus

The industry's most requested antimicrobial when flooding strikes. It's effective against bacteria, fungi, mold and mildew, plus it can be used on both porous and non-porous surfaces. Use this broad-spectrum disinfectant after cleaning for decontamination applications including flooding, sewage backups, removal of carcasses, and more (see product label for additional applications). Not available in California.

## FEATURES

- Mildewcide, fungicide and bactericide
- Suitable for use on carpets, upholstery and mattresses.
- Also available in a fragrance-free version.
- Not available in California.
- In Canada, ask for Canadian Mediclean Disinfectant Spray Plus.
