Mutee Dry 5

UPHOLSTERY TOOL

The last upholstery tool you'll ever need. The Mytee Dry GT features a new fully metal housing so durable you'll be able to give it to your grandkids one day. Retaining the incredible ergonomics of the classic Mytee Dry, this tool's triggerless design reduces the risk of carpal tunnel syndrome and other symptoms of repeated wrist strain. If you want a tool that cleans in both directions with zero overspray, the Mytee Dry GT will outlast any other option out there, and help your wrists last longer too!

- Sleek, triggerless design reduces fatigue and hand strain.
- The shear effect created by the 22 individual spray orifices ensures an even clean without over-wetting or streaking.
- Black, powder-coated, all metal housing withstands daily use for years to come.
- Clear sight window allows you so see dirt and grime being extracted.
- Easy-adjust flow valve lets you control the flow level or stop it completely.
- Pre-installed on an extra flexible 15 ft. vacuum and solution hose combo.

Includes black and blue comfort grips!
