

CARPET SHARK™

COUNTER ROTATING BRUSHES

The Carpet Shark™ does it all.

Agitation • Encapsulation • Tile & Grout Cleaning

Featuring dual brushes belt-driven by high quality motors, the Carpet Shark™ Counter Rotating Brushes operate on carpet quietly and effortlessly as they lift up dirt and other particles or agitate encapsulation chemical.

The Carpet Shark™ is available in a 10" and 17" model.

Why is Belt-Driven Better?

Belt-driven brushes provide for a quieter operation and improve the machine's longevity. If, for whatever reason, a belt goes bad, it can be easily replaced at a fraction of the cost.

Included with the Carpet Sharks™:

- Two carpet brushes pre-installed.
- Set of two renovator attachments to collect debris.
- One flat splash guard.
- Wheel attachment for quick and easy transport.
- Storage tray to protect your investment.
