Phoenix 4031350-1, Guardian R HEPA Air Scrubber Red

Model Number: 4031350-1

Phoenix 4031350-1, Guardian R HEPA Air Scrubber Red

Manufacturer: Phoenix

Phoenix Guardian R HEPA Air Scrubber, Red 4031350-1

Product Overview

True HEPA Performance
Whether set up as an air scrubber or negative air machine, the Phoenix Guardian R HEPA Air Scrubber System has been independently tested to verify True HEPA performance of not just the filter, but of the entire device while delivering over 500 CFM of filtered airflow. With variable speed control (between 250 CFM and 500 CFM), the Guardian R delivers the right amount of the desired airflow.
The efficiency doesn’t end with the filter performance and airflow; the Guardian R draws only 2.4 amps of power. This makes the Guardian R HEPA System perfect for a variety of remediation projects where space and power are at a premium. A single Guardian R will provide 4 air changes per hour (the recommended minimum) on 7500 cubic feet (more than a 30′ x 30′ x 8′ room).
Air Where you Want It
The Guardian R weighs in at a mere 33 lbs. and has a compact design with a 14-inch height and a small 22 x 24 footprint. Designed to operate horizontally or vertically, the large 16-inch diameter inlet maximizes the capture zone of airborne particles. The detachable outlet duct ring makes attaching lay flat duct quick and easy, so you can deliver HEPA filtered air where you want it. The molded handle and stackable design make the Guardian R easy to hand carry, transport, and store.
Built-In Power
Featuring a built-in GFCI outlet and 15 amp breaker to conveniently provide 10 amps of power for other devices while operating at a high speed.
Our Change Filter Light automatically alerts you when the filters should be checked and possibly replaced to maintain maximum CFM performance.
Ultimate Safety Features
The 2-stage filter design removes virtually all hazardous particles from the air, and the optional carbon/potassium permanganate filter can be used to absorb a wide range of odors and gases for your safety.
