Model Number: F1821-12

Abatement Technologies F1821-12 First stage Fiber Trapper Particulate Pre-filter Case (12 per case)

Manufacturer: Abatement Technologies

Abatement Technologies F1821-12 First stage Fiber Trapper Particulate Pre-filter Case (12 per case)
Description
The F1821 “FiberTrap” filter is the OEM replacement 1st stage, 1" throwaway MERV 4 pre-filter for Abatement Technologies, Inc.’s model PAS2400 portable air scrubber. The actual size of the F1821 air filter is approximately 18 x 24 x 1.

The FiberTrap pre-filter is designed to capture the coarsest particles circulating through your air duct system which helps to extend the life of the 2nd stage carbon-pleated filter and the HEPA filter, saving you money!

The Abatement Technologies F1821 pre-filter is UL 900 Class 2 listed.

This package ships with 12 filters.
