Description
DS 250 is a mid-sized drill stand. This lightweight stand made of aluminum has a combination base plate to enable both anchoring and vacuum. An ideal choice for core drilling applications up to 10 in. diameter. Suitable for stitch and angle drilling for ventilation and plumbing.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.
All sales are final.
Same factory warranty as brand new: 1 years parts!
Extended the warranty to 3 or even 5 years for a little more with no hour exclusions.
Condition of this machine: "A" Only 1 at this price!
Our A rated demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory direct as they have already been refurbished, cleaned, tested, and crated.
