BACKORDER
Description
Part of our Gold series, the Elite-Grind™ Star offers a complete selection of bond and grit sizes, ensuring that you can seamlessly follow the complete preparation process, including working on the edges. It has a remarkable removal rate higher than similar cup wheels available in the market. Specifically designed for hard floors, the H" tool excels in delivering superior removal capabilities. Its triangular shape enables improved access to edges and ensures a more even distribution of pressure for optimal performance."
Features

- Efficient concrete grinding
- High Efficiency and Longevity
- Concrete surface edge
- Optimal material removal
- Top performance
- Removes abrasive surfaces
- Optimal active diamonds
- Wide variety of applications
