Model Number: S/VB5535HGEEA411

Pressure Pro S/VB5535HGEEA411, Skid-Mounted Pressure Washer, 5.5 GPM 3500 PSI, Gas Cold Water, Honda GX630 Belt Drive General Pump

Manufacturer: Pressure Pro

Pressure Pro S/VB5535HGEEA411, Skid-Mounted Pressure Washer, 5.5 GPM 3500 PSI, Gas Cold Water, Honda GX630 Belt Drive General Pump

Description

Combining two reliable units - a high pressure HP5535 pump and a durable Honda GX630 engine - the Pro Power S/VB5535HGEEA411 is a reliable, powerful unit. Aircraft grade aluminum frame and powder-coated steel skid mount are built to take a beating, and comes with a lifetime frame warranty. EZ-Start provides ease of usage, while 50 mesh inlet filter keeps unwanted particulates from ruining your investment! Excellent choice for residential needs and homeowners, also great for light-duty commercial and agricultural usage, like cleaning tractors, wash bays, decks, and more. 3500 PSI attacks hard-to-remove dirt and grime, with volume up to 5.5 GPM.

Features

- Powder-coated steel skid mount for stationary use.
- Four padded shock absorbing feet.
- 3VX belt system offers balanced power transfer.
- 50 mesh inlet filter avoids pulling in clog-causing particulates from water source.
- Adjustable pressure unloader prevents damaging over-pressurization
- Thermo-sensor prevents overheating in bypass mode.
- Not for sale in California

Includes

- Gun and wand assembly
- 50' high pressure hose with couplers
- Chemical injector
- 4 color-coded QC spray nozzles
- 1 color-coded QC chemical nozzle
