LIMITED STOCK
Description
X-Cide "For Skunk" is a proprietary blend of pure fragrance oils and odor encapsulators formulated specifically to eliminate Skunk Spray and its decomposition products, including ammonia. Although this product specifically targets Skunk Spray, it is also effective on male cat spray orders. When properly applied, X-Cide For Skunk will completely eliminate Skunk Odor.
Directions
Dilution
Dilute this product with 5 to 20 parts water according to the severity of the contamination.
Usage
First remove as much contamination as possible by thoroughly cleaning the area with a shampoo containing 1 part X-Cide to 20 parts shampoo solution. Remove as much moisture as possible with extraction or blotting with dry towels. Apply sufficient solution to reach all contamination. Agitate the area to assure penetration then allow it to dry. X-Cide will destroy the odor molecule for molecule. So you must apply X-Cide in sufficient quantity and concentration to match that of the contamination. This will assure you of total and permanent elimination of the odorous material.
