Manufacturer: Pressure Pro

Pressure Pro WM/EE3015G, Electric Pressure Washer Wall Mount, Cold Water, General Pump, 3HP, 3GPM, 1500PSI, 230VAC

Description

The Pressure-Pro Eagle Series 1500 PSI, 3.0 GPM Wall Mount Electric Pressure Washer with General Pump is designed with security and convenience in mind. A 12 ft. power cord and heavy duty wall mounts ensure that your pressure washer is easily accessible and out of the way. The included 50 ft. high pressure hose with quick connects, chemical injector assembly, and five (5) interchangeable nozzles allow for greater mobility across a plethora of jobs with this stationary pressure washer. Constructed from durable aircraft grade aluminum, you can rest easy knowing your pressure washer will last for years to come.

Features

- Heavy duty shelf mounted unit for convenience and security
- 230 volt motor comes with 12 foot cord; add your own plug
- Motor & pump start when the trigger is pulled; stop on release
- Extends the life of pump & motor
- 1725 rpm low speed pump is quiet and powerful
- Ceramic components run cooler, last longer
- Easy to maintain and rebuild
- Change the spray pressure to suit the task
- 5 quick connect nozzles: 0°; 15°; 25°; 40°; chemical application
- 50 feet of steel reinforced, high pressure hose
