Nilfisk 107146943, MH 5M Electric/Diesel Hot Water Pressure Washer, 3000 PSI 4 GPM 230V 1PH

Manufacturer: Nilfisk Advance

Nilfisk 107146943, MH 5M Electric/Diesel Hot Water Pressure Washer, 3000 PSI 4 GPM 230V 1PH

Description

The Nilfisk MH 3M Electric/Diesel Hot Water Pressure Washer sets a new standard for mid-range hot water pressure washers, boasting a combination of productivity and performance. Featuring a semi-industrial NA4 pump with three ceramic coated pistons and a high-efficiency 4-pole motor, this model is tailored for general hot water cleaning tasks and light industrial applications. Enhanced with the EcoPower Boiler system, the MH 3M delivers exceptional efficiency, reducing fuel consumption while providing faster and more effective cleaning. Its design prioritizes ease of maintenance, with quick access to vital components and optimal transport ease thanks to its four large wheels and superb balance. Designed for convenience, it includes double lance holders, a turnable hook for managing the electrical cable, an innovative spray gun holder, and easy storage for detergent tanks. This model not only ensures powerful cleaning performance but also promises significant savings in time and operational costs, making it a top choice for commercial cleaning needs.

Features

- High efficiency 4 pole motors
- EcoPower boiler with EcoMode function
- Brass pump head
- 3 ceramic coated pistons
- Pressure activated unloader system
- Simple fuel level sight
- Easy access to components
- Easy pump oil service functions with tank and oil sight
- Innovative design with 4 big wheels
- Easy to transport, can even be pushed/pulled across uneven surfaces
