AR Pump XMV3G25D-F33 Pump: 3/2500 3400RPM
Description
Introducing the Annovi Reverberi (AR) Plunger Pump XMV3G25D-F33 - a high-end and reliable pumping option for pressure washing needs. This powerful tool can effortlessly deliver up to 2500 PSI, running smoothly at 3400 RPM. Its robust design and versatile applications make it an ideal choice for both residential and commercial use. This pump boasts a triplex design, producing high efficiency whilst ensuring long-lasting usage and top-quality performance.
Whether you need to carry out heavy-duty cleaning, prepping outdoor furniture for the summer, or washing and maintenance of your fleet of vehicles, this pump will not disappoint. Known for delivering consistent results, it's perfect for applications like removing grime and dirt from decks, patios, or siding, stripping paint, or even washing your boat and RV. Its high-pressure functionality makes it an excellent choice for professionals specializing in building upkeep and restoration.
