Manufacturer: Annovi Reverberi Pumps

AR Pump XMV3G30D-F24C2G Pump: 3/3000 3400RPM
Description
This Annovi Reverberi (AR) Plunger Pump XMV3G30D-F24C2G is the premier choice for dependable and powerful performance in any working environment. Boasting features such as 3 Gallons Per Minute (GPM), 3000 Pounds per Square Inch (PSI), and 3400 Revolutions Per Minute (RPM), it is highly capable of handling a wide array of industrial and residential tasks. It's ideal for applications that range from pressure washing to chemical processing, making it incredibly versatile.
Built for durability, this pump ensures consistent operation and long-term reliability. Its solid ceramic plungers, high-quality seals, and robust construction make it a lasting investment for any user. The XMV3G30D-F24C2G model is particularly well-suited for high-pressure sprayers, pressure washers, and other similar equipment.
