Manufacturer: Annovi Reverberi Pumps

AR Pump XMV3G30D-F24C2M Pump: 3/3000 3400RPM
Description
Unleash power and efficiency with the Annovi Reverberi (AR) Plunger Pump XMV3G30D-F24C2M. Operating at a maximum of 3000 PSI and 3400 RPM, this exceptional pump brings remarkable performance and durability. Ideally engineered for a range of applications, from pressure washing to misting systems, this pump is your solution for demanding high-pressure operations. It's superbly constructed with innovative technology and high-quality material, ensuring longevity and optimal output in various settings.
With its impressive specifications, the AR Plunger Pump doesn't just meet the rigorous demands of professional jobs but is also user-friendly for those getting initiated with high-pressure tasks. Its compact design ensures it fits on most professional-grade pressure washing units. Whether you are cleaning an RV, blasting dirt off concrete, or power-washing a deck, this plunger pump offers superior functionality and dependability.
Specifications:

- Gallons Per Minute (GPM): 3
- Pounds per Square Inch (PSI): 3000
- Revolutions Per Minute (RPM): 3400
- Fits: Most professional-grade pressure washing units
- Applications: Suitable for pressure washing, misting systems, and more
