Manufacturer: Husqvarna Equipment

Husqvarna 543045948 Front Wheel for FS309 Floor Saw

Genuine OEM Husqvarna Replacement Part

The Husqvarna 543045948 Front Wheel is a genuine OEM replacement wheel designed for select Husqvarna walk-behind concrete and asphalt floor saws including the FS309 series. This commercial-grade wheel assembly helps maintain proper saw tracking, maneuverability, and cutting stability on concrete, asphalt, masonry, and pavement cutting applications.

Using genuine OEM Husqvarna parts helps maintain factory performance, proper fitment, and long service life compared to aftermarket replacement wheels.

Common Applications

- Concrete floor saws
- Walk-behind saws
- Asphalt cutting saws
- Masonry cutting equipment
- Road repair saws
- Construction cutting machines
- Commercial pavement saws

Why Use Genuine Husqvarna OEM Wheels?

- Correct wheel dimensions and fitment
- Maintains proper saw balance and tracking
- Commercial-duty construction

>

- Factory engineered durability
- Helps reduce uneven cutting behavior
- Designed for demanding jobsite environments

Signs Your Floor Saw Front Wheel Needs Replacement

- Uneven rolling or wobbling
- Flat spots on wheel surface
- Cracked or damaged wheel
- Difficulty steering saw
- Saw drifting during cutting
- Excessive vibration during operation

Frequently Asked Questions

Is this a genuine OEM Husqvarna wheel?

Yes. This is a genuine OEM Husqvarna replacement part.

Will this fit all Husqvarna floor saws?

No. Always verify your existing part number and machine model before ordering.

Can this wheel be used on asphalt saws?

Yes. Many walk-behind saws used for asphalt and concrete cutting use this style wheel.

Why use OEM instead of aftermarket?

OEM parts are engineered to original factory specifications for proper fit, balance, and long-term durability.

Commercial Contractor Use

This wheel is commonly used by:

- Concrete cutting contractors
- Road construction crews
- Municipal maintenance departments
- Rental equipment companies
- Pavement repair contractors
- General construction companies

Steambrite stocks thousands of OEM Husqvarna replacement parts for floor saws, grinders, vacuums, and surface preparation equipment.
