Air Systems Explosion Proof Axial Air Mover Fan 220volt SVF-10X220

Model Number: SVF-10X220

Air Systems Explosion Proof Axial Air Mover Fan 220volt SVF-10X220

Manufacturer: Air Systems

Blower,Explosion-Proof Explosion-Proof In-Line Electric Blower, HP 1/3, Voltage 220 v @ 50 Hz , Amps 2, Free Air Flow 1390 CFM, Includes Duct Adapters 8 and 10 Inches, Static Grounding Lug and Rubber Feet, Width 13 1/2 Inches, Length 27 1/4 Inches, Material Steel, Color Red,
115 volt availible (specail order)

EXPLOSION RATINGS
Class: 1 - Division: 1 - Group: D
Class: 2 - Division: 1 - Group: E,F,G

TECHNICAL SPECIFICATIONS
Item AC Axial In-line Explosionproof Fan with 10 x 8 Inches Duct Adapter
HP 1/3
Includes 115 VAC Electric Motor Explosion proof plug not included
Fan Material Lightweight Steel
Standards UL E74627

OPTIONAL ACCESSORIES
Duct,Ventilation,8 In
Ventilation Duct, Diameter 8 Inches, With 2 Cuffs (preattatched to the ducting) for Confined Space
Ventilation Kit, Strap, Buckle, 15 Feet Length:
2AW22 Ducting with straps ect $178 each
or
2BC85 is just 8" ID ducting $135 each
