Model Number: XTV2G18D-F7M2I

AR Pump XTV2G18D-F7M2I Pump: 2/1800 3400RPM

Manufacturer: Annovi Reverberi Pumps

AR Pump XTV2G18D-F7M2I Pump: 2/1800 3400RPM
Description
This top-grade Annovi Reverberi Plunger Pump is an essential component for high pressure cleaning machinery. Ideal for those in need of an efficient and professional solution, this pump provides robust cleaning power for a variety of applications. Suitable for both domestic and industrial use, it can be used for washing cars and trucks, cleaning patios and driveways, clearing dirt and debris from fences, or even heavy-duty professional cleaning operations.
Known for its superior performance and durability, the AR pump XTV2G18D-F7M2I delivers a high pressure output of up to 1800 PSI. It performs at a peak of 3400 RPM, ensuring quick and effective cleaning. It's also engineered for utilizing direct drive on a gasoline engine. Built with forged brass manifold and anodized, die-cast aluminum oil-bath crankcase, it assures reliability and long service life.
