AR Pump XTV2G20D-F7M2I Pump: 2/2000 3400RPM
Description
Offering superior performance and reliability, the Annovi Reverberi (AR) Plunger Pump XTV2G20D-F7M2I exemplifies commitment to quality and efficiency. Whether you're a professional cleaner or a do-it-yourself enthusiast, this pump offers high-powered functionality to your pressure washer. Maximize its utility in various settings - from residential outdoor cleaning tasks like washing your car or deck, to commercial uses like graffiti removal and equipment sterilization in food processing industries.
Its sturdy design and precision engineering grants this pump the capacity to handle a multitude of high-powered cleaning tasks. With its 3400 RPM engine speed, it ensures that your pressure washer uptakes and sprays water at an impressive intensity, speeding up your cleaning tasks. To ensure longevity and efficient performance, the product encompasses top-tier materials, promising durability and endurance against challenging tasks and environments.
