AR Pump XTV2G20D-F8 Pump: 2/2000 3400RPM
Description
Offering unmatched efficiency and robust construction, the Annovi Reverberi (AR) Plunger Pump XTV2G20D-F8 is the ultimate tool for pressure washing. Equipped with a powerful 3400 RPM motor, it has the ability to deliver 2000 PSI to handle the toughest cleaning tasks. Suited for many applications, it can be employed for everyday residential cleaning, including patio furniture, outdoor equipment, and cars, or utilized in commercial settings for maintaining structures, equipment or large surfaces. No task is too big or small for this reliable plunger pump.
This pump model stands out for its exceptional power output and versatile applications. It utilizes the Triplex plunger design which provides a smooth liquid flow for efficient operation. The use of high-quality materials ensures corrosion resistance and promises to uphold the pump's longevity. With this Annovi Reverberi Plunger Pump, you sign up for years of maintenance-free operation and uninterrupted performance.

Specifications:

- Maximum PSI: 2000
- Maximum RPM: 3400
- Triplex plunger design
- Corrosion-resistant construction
- Applications: Residential and Commercial pressure washing
