AR Pump XWF10GE-G Pump/Gearbox 10G

Manufacturer: Annovi Reverberi Pumps

AR Pump XWF10GE-G Pump/Gearbox 10G
Description
The Annovi Reverberi (AR) Plunger Pump XWF10GE-G is a top-notch, heavy-duty pump designed for intense and constant use, guaranteeing optimal performance and longevity. Known for its superior functionality, this pump is perfect for high-pressure cleaning applications, power washing, commercial cleaning, and pressure washer systems. Additionally, it's great for desalination and reverse osmosis, where high pressure is a must.
Featuring a triplex plunger design, this robust pump offers a generous flow rate, providing you with an effective and efficient cleaning solution. Apart from its stellar performance, the Annovi Reverberi Pump also prides itself in its seamless and easy operation. Whether you're a professional cleaner or not, this pump treats you to a hassle-free user experience.
