AR Pump XWF3617-AISC XWF3617N - HOT

Manufacturer: Annovi Reverberi Pumps

AR Pump XWF3617-AISC XWF3617N - HOT
Description
The Annovi Reverberi (AR) Plunger Pump XWF3617-AISC is a high-quality, versatile pump perfect for various commercial and industrial applications. Its high-pressure capabilities make it ideal for pressure washing, sewer jetting, and misting. Tough and efficient, it holds up well under challenging work conditions, proving its excellent performance in car washes, where it continuously provides optimal results.
Designed in Italy, this robust pump showcases the superb engineering that the Annovi Reverberi brand is known for. Featuring an exclusive Air Injection System Cooler (AISC), this pump model maintains a cooler operation, considerably extending its service life. Moreover, an easy-start valve ensures a smooth start every time. The robust construction ensures durability, and the compact design allows the XWF3617-AISC to be easily incorporated into your existing system.
.
Specifications

- Flow rate (GPM): 4.75
- Pressure value (PSI): 3650
- Revolution per minute (RPM): 1450
- Product Dimension: 11 x 8 x 7 inches
- Weight: 18.7 pounds
